

Disclaimer & Privacy Policy Statement

Welcome to our disclaimer and privacy policy statement page. By visiting our website you are agreeing that you have read, are fully aware of and are in agreement with this entire web page. Last updated 01/07/11..

Definitions

The following are definitions that apply to our disclaimer and privacy policy statement.

Disclaimer statement – a phrase used to indicate the statement explaining the kind of agreement a web site visitor and website owner have as well how information is collected from a web site visitor and in what way it is used.

We – associates, members, employees, and owner(s) of D&G Publishing Pty Ltd.

Us – associates, members, employees, and owner(s) of D&G Publishing Pty Ltd.

I – associates, members, employees, and owner(s) of D&G Publishing Pty Ltd.

Users / Viewers / The user / The viewer – that person, persons, group, groups, party or parties which view(s) or interact(s) in any way with this website (www.birdscaping.com.au).

General Privacy Statement

We will not sell the name or any personal information of our viewers to any third party. All information gathered from users is only used to conduct our website and our business needs. There are times when certain information is given out to third parties we have a direct, working relationship with because we are required to do so in order to run our business or provide our products and services.

Additionally, because our information is stored on a third-party web site server we cannot guarantee that it will be 100% safe at all times. Therefore, we make no guarantee that your information is 100% hacker proof and safe with us. Unfortunately, no website can give you a 100% guarantee on that because, when using the internet there is always a certain degree of vulnerability present.

What information we gather

Information is gathered from web site statistic scripts and programs (information about traffic and use of our website), information gathered from sites navigated from to get onto our website, and information sent to us through emails and online forms, scripts, and programs.

Emails

Information sent to us through emails will not be sold to third parties. Any information we receive will only be used to conduct our website and business needs. There are times when certain information is given out to third-parties we have a direct, working relationship with because we are required to do so in order to run our business or provide our products and services. Therefore please do not send us information or data you do not wish others to have access to, whether by e-mail or through the use of electronic forms originating from this website.

Online forms, scripts, and programs

Some forms, scripts, and programs connected to this website send us, by email, the information you entered and information about you. Please be aware of this and only enter data and information you wish us to see. Information sent to us through emails will not be sold to third parties. Any information we receive will only be used to conduct our website and business needs. There are times when information is given out to third parties we have a direct, working relationship with because we are required to do so in order to run our business or provide our products and services. Therefore please do not send us any information or data you do not wish others to have access to, whether by email or through the use of electronic forms originating from this website.

Out-bound links

Out-bound links (links to third-party websites) included on this website are provided as information for the use and convenience of site visitors at their own discretion. The appearance of a link on any web page of this website does not constitute an endorsement or recommendation by us of the third-party website linke to, nor should a link to a third-party website be in any way interpreted to imply that the site referenced has any relationship with us. Therefore we are not liable for any damages or harm potentially caused or as a result of third parties we have linked to.

Changes to the Disclaimer Statement

This document may have changes occur to it at any time. It is strictly the responsibility of the user to keep himself or herself up to date with what may be written in this document at any given moment. At any time we have the right to make any changes to this document we deem suitable.
